

Suspension of On-Site Activities

Last week our church's session voted to extend our suspension of all on-site church activities through May 17, except for our hunger relief programs. We will provide more updates that week.

Our Church is Broadcasting Worship to Your Home!

Our church is hosting regular worship services once more! And you are invited to join from the comfort of your own home! For information on how to join, check the back of the worship bulletin, which was mailed out with this newsletter (*if you received this by mail*) and is always hosted on the "sermons" page on our website.

"Coffee Hour" Fellowship Call

On Sundays from 10am until the start of worship at 10:25, our church hosts a "coffee hour" conference call, where people can just catch up and socialize. Joining is easy: if you have ever called your bank on the phone, the process is very similar. Just follow one of the steps listed on the back of your worship bulletin!
