

Dear Sisters & Brothers in Christ,

Our church has undergone a number of renovations and repairs in 2020, most notably the completion of our “Behold the Glory” campaign to restore water-damaged plaster in our sanctuary, association room, and handicap accessible ramp. To provide transparency, listed here you will find the current projects and their associated costs that have been undertaken so far this year as of August 24, 2020.

General Fund	Building Fund	Memorial Fund	Total to Date
\$45,999.84	\$96,193.75	\$0.00	\$142,193.59

While these expenses may seem daunting, every project either supported essential ministries such as our food pantry and worship services or was required in order to prevent further damage to the church property down the road. These necessary renovations were only possible due to the generosity and commitment of our church's members, so on behalf of the church's session please accept our gratitude and thanks go out to all of you for ensuring our congregation can continue supporting worship and ministry here for many years to come.

In Christ,
Rev. Alex Peterson
