

Church Library Transformation

Our church's library has sat relatively unused in recent years. Our session is calling for a group to gather to discuss ideas about better ways to use this space, and we want your input and involvement! What do you think we could turn the library into?

As part of this transformation, we are offering our current library books up to you the congregation to take home, starting September 22nd. Pastor Alex will reserve a few books as well that for a special shelf in the pastor's office as a mini-library of sorts. After three weeks, all remaining church library books will be donated.

Choirs Update

Our choirs met on Sept. 2nd and decided to make music once again. Our vocal choir will be recording their singing in advance for us to enjoy on Sunday mornings without risk of infection, while our bell choir is resuming their music ministry as well. We definitely look forward to hearing joyful noise from all of them!

Soup Kitchen

Our Soup Kitchen needs plastic bags for the take out meals that they distribute weekly. If you have extra bags please drop them off at the office Mon.-Fri., 10:00 am - 2:00 pm.

Building Fund & Church Repairs

You may notice crews working on our stained glass windows in the near future. Session has approved some much-needed repair work to our stained glass fixtures to beautify the existing windows and prevent further damage down the road. To cover this cost, session approved taking the remaining \$24,000 of our loan from the Presbyterian Investment & Loan Program that was approved by this church in a previous congregational meeting. While the restoration of our sanctuary is largely finished at this time, we still need to maintain our building fund in order to cover our loan payments as we enjoy our renovated space.

New Grandchild
