

Peace and Joy: Pastor Hal

Many of us as Christians don't realize the meaning of having a bank account in Heaven. Some might, but I would presume that most of us don't understand it's value in this temporal life, thinking we can only use it when we get to Heaven. We can use our bank account in heaven here on earth unbeknownst to us. I received this idea from Mrs. Gloria Michelson while doing her message on Saturday. It broke my heart that I didn't get to know this woman like I would like I would have loved too! Knowing her bank account in Heaven was quite substantial, with all that I heard she did for others how she loved in her Jesus Calling in her bulletin at the Memorial, as both her daughters conveyed to me, her love language being her love to give others at the table and her love to the youth in and out of the church. Her love for others was truly genuine. So are our banks in Heaven. And we can withdraw from them in our mortal life. But how? When we ask for something in our earthly life, we can ask him to withdraw the treasure we have on record with him We ask because God displays what we've done and places it in our accounts when we've done something that pleased our Father. Jesus tells us to ask, and it will be given, and promises us so. He is our automatic withdrawer when asked.
