

From the Pastor Hal:

I greet you all in our risen Lord Jesus Christ and want to convey in this Pews News the importance of Jesus Christ in our lives. You hear me talk about our Master every Sunday. He is the freedom that we have in the United States of America, because the Triune God is the one that preordained the Constitution with our Forefathers from the beginning. History is vital to our country. We have been told many times that if we don't review where we are in history and compare where we are and know our history, we'll repeat those mistakes again. I foresee this happening prophetically, because man in his consciousness cannot over-ride God on His worst day as the Bible tells us. What does this all mean? That the only person that will enable the United States of America to rebound the way Christians know the new earth will be our risen Lord, not anyone else. Our only hope is that Jesus when he returns, which will be sooner than we realize. As I stated we cannot rely upon any human being to get us out of the scrape we're in. The only person that will enable Liberty to soar will be Jesus when he returns. Bless be the joy of knowing we have a Savior who loves us and know us who are in the Book of Life
