

## Graduation Sunday:

On Sunday, June 9, 2024 we will be recognizing graduates from high school and college. If you have someone you would like recognized for their accomplishments, please get me the information. I need the name of the graduate, what school they attended, if its from college their degree. I will need this information in the office before May 30th so it can be published in the Pews News and then again on the day of the service in the bulletin and on the announcement slides. We need to honor any graduate for the accomplishment they have achieved.
